As concerns about the COVID-19 grow, we are following the guidance of the Centers for Disease Control and Prevention (CDC) and taking precautions to make sure our staff and residents are safe and healthy.

We are monitoring advisories from the Lake County Health District, local authorities and the Ohio Department of Health.

Village Hall will remain open, however; we would like to reinforce that if you are not feeling well, you need to stay home. All residents should implement the personal prevention protection methods used to prevent flu and other infectious diseases as recommended by the CDC:

- ❖ **Wash hands often with soap and water for at least 20 seconds**
- ❖ **Use alcohol-based hand sanitizer when soap and water are unavailable**
- ❖ **Cover your mouth with a tissue or sleeve when sneezing or coughing**
- ❖ **Clean and disinfect frequently touched objects and surfaces**
- ❖ **Avoid touching your eyes, nose and mouth**
- ❖ **Stay home when you are sick, if you need to go to the doctor, call your health care provider for instructions first**
- ❖ **Avoid contact with people who are sick**

Feel free to visit the Lake County General Health District's website for more information at:
